

**HEE
WEEK
HAW**

**September 13th - 18th
Dunlap, Tennessee**

**Benefiting the
Sequatchie Co. Cancer Support Network**

It's Hee Haw time in Dunlap, Tennessee!

After a year hiatus, the Sequatchie County Cancer Support Network is happy to once more present Hee Haw on Saturday, September 18th at 7pm in Harris Park. The Sequatchie County Cancer Support Network assists individuals in our county who have cancer by giving them funds to help toward their treatment. Without funds raised from Hee Haw and support from local businesses and individuals, the network would not be able to do this. Donations help to sustain our organization and benefit the community which we serve.

Due to COVID, the Network hasn't been able to fundraise much this past year. On top of that, due to this year's show location, we are only able to have one show of Hee Haw instead of the three shows we would normally have each year. In an effort to increase donations and get folks out to Hee Haw this year, we need your help by participating in Hee Haw Week, September 13th - September 18th!

Let's have some fun for a great cause! Here are some ideas for how you can help during Hee Haw Week:

- Create an Outdoor Hee Haw Themed Display - this helps spread the word about Hee Haw and then you can easily transition it into your fall display! The Sequatchie County Cancer Support Network will give awards for the best displays!
- Host a Bake Sale during Hee Haw Week Benefiting the Sequatchie County Cancer Support Network.
- Host a Hee Haw themed dress down day for your employees. If they make a donation, they can dress down - in their best Hee Haw themed attire of course!
- Select one day of Hee Haw Week to donate a percentage of your sales that day to the Sequatchie County Cancer Support Network. Let customers know they are shopping for a great cause!
- Raffle off a grand prize with proceeds benefiting the Sequatchie County Cancer Support Network.
- Host a country plate lunch or hot dogs and chips with proceeds going to the Sequatchie County Cancer Support Network.
